**Subject:** US EPA Consultation with Menominee Indian Tribe - Scheduling Tribal Consultation

Dear Peter Swenson,

First thank you for the two phone conversations we had regarding our Menominee Indian Tribe of Wisconsin's request to consult. From our conversation yesterday, you stated the consultation would be with the US EPA Region 5 Water Division Director Chris Korleski, and we were looking to schedule a consultation meeting in the near future.

We do have a few requests regarding the consultation meeting and preferred dates, and these include:

1. Request to consult with a decision maker of the US EPA Region 5. Hence we request consultation to include the Regional Administrator for EPA Region, Robert Kaplan.
2. Request the following dates for consultation in order of preference – Wednesday, November 15, 2017 late morning or Tuesday, November 14, 2017 anytime that day
3. Request the meeting to take place in Chicago, Illinois with the ability for videoconferencing for one of our participants.

If you have any questions, comments, or require further information, please feel free to contact me at your earliest convenience.

Thankyou
